#### GENERAL REVIEW.

3. The expenditure during the year under the Port Trust Fund was Rs. 4,09,516-7-10 as against the receipts of Rs. 3,76,617-8-11, resulting in an encroachment on the opening balance to the extent of Rs. 382,98-14-11. Steps would need to be taken to regularise the expenditure in with reference to the receipts and to avoid encroachments on the opening balance. With an investment of Rs. 99,000 in the year 1956-57 investments from the General Funds of the Port Trust comes to Rs. 3,70,500 and from the Depreciation Fund to Rs. 25,800 up to the date of audit.

4. The more important irregularities are detailed below. Irregularities of a minor nature are detailed in an Annual Objection Statement which should be read as part of this report.

##### 5. Pending Objections of previous years.

Sixteen objections over two years old involving an amount of Rs. 32-3-0 were pending settlement at the close of audit as detailed below:—

(c) Special repairs to Port Office.

Only a supplemental agreement was shown. The original agreement still remained to be produced.

(ii) Repairs to the propeller shaft of M. L. Mangalore.

(iii) Repairs to Welding machine shaft.

No measurements were recorded in the measurement book on the ground that the works are not susceptible of measurements. Even if the works are not susceptible of measurements, all payments for which bills are received, and debited to a work, should be got recorded in the measurement book.

(iv) Repairs to dredger "Gurpur".

Out of a total estimated sum of Rs. 3,890-11-0, only works to the extent of Rs. 1,199-8-0 were measured and check measured. There was no record to indicate that the spare parts, etc., purchased for the balance of Rs. 2,329-8-0 were utilised for the repair work of the dredger.

(v) Repairs to mud punts.

There was no indication in the measurement book that the work was check measured.

##### Works—Records not produced.

Freight charges of Rs. 907 were paid by the Port Officer, Mangalore for the conveyance of 1,200 bags of cement for the work of "construction of a reinforced concrete wharf at Coondapur Port". Out of the 1,200 bags of cement, 5 bags of cement were issued to the Port Conservator, Malpe, 50 bags to Port Officer, Kozhikode for reinforced concrete dock, and 1,104 bags of cement to the Contractor. The credit for the recovery of the cost of the cement with conveyance, etc., charges issued to the Contractors, etc., was not pointed out yet.

The stock account of cement was also not produced to verify how the balance was disposed of.

The vouchers or other records in support of the purchase of M.S. rods, etc., supplied, the above work were not made available. The recovery of the cost of materials supplied to the contractor was also not shown.

(6) Para 12 of the audit report for 1950-51.

" 3 (i) " 1954-55.

##### Construction of a reinforced concrete wharf at Coondapur.

The following quantities of materials purchased in this connection were left over as balance after the work was completed.

3/4" rods 18' long	...	200 Nos.
1/4" rods	...	16 Bundles
1" rods 18' long	...	55 Nos.
Miscellaneous Angles	...	1 No.
8" x 3" x 1/2"	...	15 Rolls
G.I. Wire	...	6 Bags
Cement	...	...

These materials still remain to be accounted for no papers were also shown as to their disposal. It was explained at the time of audit that the accounts are maintained at the Port of Coondapur. But the accounts were not produced at Coondapur Port during the local audit. As the payment for the work was made at the Mangalore Port, the accounts may be obtained from the Coondapur Port and produced without further delay.

 " 3(g) " " 1954-55.

*Construction of a reinforced concrete wharf wall at Coondapur.*

The revised estimate was not produced.

The account of receipts, issues and balances of the iron materials was not produced.

80 gunny bags (cement bags) remained to be accounted for.

The accounts which were stated to be available at Coondapur Port were not made available for audit. As the payment for the work was made at Mangalore Port, the accounts may be obtained and produced early.

- (8) Para 12 of the audit report for 1951-52.  
 " 3 (1) " " 1954-55.

*Omission to collect land and shipping dues.*

As the materials were issued to the contractor at the Mangalore Port Godown, they cannot be considered as "marine goods" when the articles passed into the hands of the contractor, as exempt from port dues. The dues forgone due to the wrong classification would need recovery.

- (9) Para 7 of the audit report for 1952-53.  
 " 3(m) " " 1954-55.

*Heavy expenditure on repairs to M. L. Mangalore.*

In its Resolution No. 253/6, dated 14th March 1957, the Port Trust Board has resolved to address Government in the matter. The result of the correspondence is awaited.

- (10) Para 8 of the Audit Report for 1952-53.  
 " 3(n) " " 1954-55.

*Discrepancy between Treasury and Departmental figures.*

The departmental figures have not been accepted by the Treasury for want of the original of the Accountant General's intimations of credits and debits. The matter is still under correspondence with the Treasury and the result is awaited.

- (11) Para 6 of the Audit Report for 1953-54.  
 " 3(o) " " 1954-55.

*Discrepancy between Departmental and Accountant General's figures.*

The result of the correspondence with the Accountant General is awaited.

- (12) Para 6 of the Audit Report for 1954-55.

*Difference between Departmental and Accountant General's figures.—*

The connected statements, etc., received from the Accountant General making the necessary adjustments, etc., as pointed out in the reconciliation statement were not produced.

*6. Rules and regulations for the proper despatch of work not framed.*

Under section 25 of the Port Trust Act, the Port Trust Board is to frame regulations regarding the service conditions of its employees. Under Sections 70 and 101 of the Act the Board has got powers to frame rules and bye-laws which are consistent with the provisions of the Act in order to facilitate the proper performance of its duties. No such regulations or bye-laws were, however, framed by the Board so far.

*7. Drawing powers of the Secretary—Authority not pointed out.—*

As per Section 22 of the Port Trust Act, it is the duty of the Chairman to exercise supervision and control over the acts and proceedings of all the officers and servants of the Board in matters of executive administration and in matters

concerning accounts and records of the Board and subject to the Control of the State Government, the above powers can be delegated only to the Vice-Chairman. There is no provision in the Act empowering either the Board or the Chairman to delegate any of their duties or powers to any officer or servant of the Board. It was, however, seen during audit that the Secretary of the Port Trust was passing the bills for payment and also drawing cheques. The authority under which the above powers were exercised by the Secretary was not pointed out.

*8. Ground Rent—Omission in collection—Revenue forgone.—*

As per rule 20 of part I of G. O. No. 1875 P. W. (Marine) dated 12th May 1955, a period of only 24 hours is allowed to keep the cargo free on the wharf. A test check of Import Manifests with Import applications revealed that cargoes landed in the wharf were passed for import (taken delivery or taken out of the Port premises) in many cases only after three or four days and in a number of cases only after two or three weeks. Entries regarding the collection of ground rent in such cases were, however, not pointed out during audit. It was also not possible in audit to arrive at the correct amount of rent due from each party as there was no records to show the exact dimensions of the plot used by the parties for stacking cargo. A few outstanding cases are enumerated below. The matter would need to be investigated. All such cases would need to be traced out and loss if any, sustained by way of non-collection of ground rent worked out and either collected from the parties or recovered from the persons responsible for not collecting the same.

Import Manifest No. and details of ship	Date of landing	Date of import or removal	Days kept on wharf	Fees to be collected at the minimum rate

				18-6-0

*9. Application for imports—columns not filled up.—*

The date of landing of the Cargoes were not noted in most of the Import applications even though columns have been provided in the application forms for noting the same. In the absence of information regarding dates of landing, it was not possible in audit to check whether ground rent or shed rent as the case may be, have been collected on all the cargoes stacked on the wharf for more than 24 hours. Steps would need to be taken up to avoid this omission in future to ensure realisation of the full amount due.

*10. Overtime fees—rules [regarding collection not adhered to.—*

As per rule 28(2) of part I of G.O. No. 1875, P.W. (Marine), dated 12th May 1955, the full amount of overtime fees shall be paid with the requisition for the overtime services of the Port and Board's Staff IN ADVANCE or within 48 hours of the overtime work done in which case a guarantee for its payment should be given. An examination of the Register of overtime fees however revealed that, in many cases, the above rule was not adhered to. Fees were not collected in advance. No guarantee would also appear to

have been obtained in such cases. There were often abnormal delays in the collection of fees. A few instances are given below:

No. and date of overtime applications.	Time of work	Amount of fees	Date of collection
159/19-9-1955	12 noon to 8 p.m.	Rs. a. p. 0 3 0	28-9-1955
593/9-1-1956	12 noon to 4 a.m.	1 6 0	24-1-1956

743/23-1-1956	6 p.m. to 9 p.m.	0 11 0	28-2-1956

#### 11. Leases of Port Land—Rent not collected from the lessees.—

In the following cases of Port Lands leased out, rents due from lessors were not collected up to the date of audit. Steps were also not taken to collect the arrears. Action in this regard would need to be expedited.

Name of the lessee	Area	Period	Amount Rs. a. p.
Mizar Krishna A. Pai	1,158.3 Sq. ft.	1-1-1956 to 31-12-1956	108 0 0
Abdul Sakam Tayub	8,780 "	21-10-1955 to 20-10-1956	242 0 0
H. C. Pinto	10,600 "	25-3-1956 to 24-3-1957	119 4 0
F. P. S. Albuquerque	87,250 "	16-1-1956 to 15-1-1957	982 2 0

#### 12. Port Lands leased out—licences not renewed nor the lessees evicted.—

In the following cases of plots leased out licences have been pending renewal even though the parties continued to occupy the plots concerned. It was explained that steps are being taken to renew licences and to collect the arrears. The result of the action taken would need to be reported.

Name of the party	Area	Remarks
P. N. V. Bhandari	1,670 sq. ft.	Arrears of rent up to 14th January 1957 collected as per Board's resolution.
Receiver, Jumma Mosque.	784 "	Arrears of rent up to 18th February 1957 collected as per Board's resolution.
Mizar A. A. Pai & Sons.	"	Arrears up to 28th February 1957 collected as per Board's resolution.
Basthi Devappa Shanbogue.	"	Arrears up to 25th June 1957 collected as per Board's resolution.
F. B. S. Albuquerque.	"	Licence not issued from 15th January 1957 even though the party is occupying the plot.

#### 13. Launch and Tug Register—entries in cases where services of THE TUG applied for but could not be rendered—not altered by the Traffic Manager.—

In cases where services of the Tug could not be rendered due to hard weather, storm, etc., the entries with such remarks would need to be attested by the Traffic Manager in the register.

#### 14. Log Book—entries regarding time—not precise.—

A perusal of the log book relating to the tug showed that in many cases entries relating to the arrival of the tug at and the departure from the steamers were not noted. Entries should clearly show the exact time of the departure of the Tug from the ship besides the arrival time of the Tug at the ship as otherwise it will not be possible to ascertain whether detention charges due, if any, have been fully collected from parties. Instead, in many cases only one entry is made covering both the arrival and departure of the tug at or from the ship. Two instances are given below.

Date	Time	Particulars
11th March 1956.	4-15	Reached the above steamer left the boats and returned to the wharf.
29th February 1956.	5-00	Reached the wharf
	12-30 A.M.	Reached the steamer and left the boats toured one vessel from the sea to the wharf.

#### 15. Works—Irregularities.—

##### (1) Repairs to Grab Dredger—not check measured by the Mechanical Engineer.—

An estimate of Rs. 325 was sanctioned for repairs to Grab Dredger in resolution No. 219-55, dated 13th December 1955 of the Board. A sum of Rs. 321-12-9 was expended for the repairs in March 1956. The work has not been check measured by the Mechanical Engineer.

##### (2) Repairs to Suction Dredger "Gurpur" sanction of the Board not obtained for deviated items.—

In G.O. Ms. No. 4463, dated 30th November 1953 an estimate of Rs. 24,000 for repairs to Suction Dredger "Gurpur" was sanctioned by Government. The work was advertised and sealed tenders were called for. The tenders and comparative statements were however not produced to audit. In his No. 1485A/53-13, dated 1st March 1954, State Port Officer, has accepted the tender of Messrs. Raja and Company, Engineering Contractors. From the agreement executed by the contractor produced for audit, it was seen that, in the following items, work actually carried out as per entries in the Measurement Book and the agreement differed from the items in the estimate.

Item of the work as provided for the estimate	Item as per Measurement Book	Rate as per agreement	Rate as per estimate
I. Cutting rivets from old 26 plates and replacement rivets to be cut 6,500 Nos.	8,306 Nos.	Rs. 10 per 100 Nos.	Rs. 25 per 100 Nos.
IV(g) Drilling holes in funnel angle iron 20 Nos.	40 Nos.	Rs. 25 for 100 Nos.	Rs. 50 for 100 Nos.

The above deviations were however not got sanctioned by the Board. A sum of Rs. 631-5-6 has been paid as per Measurement book against the lumpsum provision of Rs. 2,356-5-0 in the estimate, sub-vouchers or Nominal Muster rolls as the case may be, were not produced in support of the above payment.

##### 16. Staff absorbed in the Port Trust. Leave salary and pensionary contribution not recovered from the Port Trust Fund and credit to Government.—

The staff of the Mangalore Port Office as it existed prior to the formation of the Port Trust was absorbed in the service of the Trust. There is no specific order of Government stating that the members of the staff have severed their connection with the Government and have become servants of the Board. It is not known if any or all the members of the pensionable staff of the Port Department have expressed their willingness to be absorbed on a permanent basis in the service of the Mangalore Port Trust. If they have not so opted, they should be treated as officers lent to the Board on foreign service terms but without deputation allowance and leave salary and pensionary contribution recovered from the Mangalore Port Trust and credited to Government vide para 2 (iii) of G.O. No. 2385 P.W., dated 21st June 1953. The correct position would need to be furnished.

##### 17. Defective maintenance of Registers and Registers not maintained.—

###### (i) Register of heavy Plants and Machinery.—

A register showing the date of acquisition, value and make of the machinery such as tug, dredges, launch, etc., was not maintained during the year. This important register would need to be maintained verified at least once a year and shown to audit.

###### (ii) Register of Exports and Imports.—

A register of Exports and Imports was not maintained for the year 1955-56.

###### (iii) Security Deposit Register.—

The particulars regarding the total amount kept under Security deposit with the Mangalore Electricity Company Ltd., the interest due on them etc., were not furnished. It would be better if these are noted in the register of investments to watch the receipt of interest due thereon. In the absence of the particulars, it was not possible to verify in audit the correctness of a sum of Rs. 1-12-0 collected in Miscellaneous Receipt No. 31311, dated 21st September 1955 being the interest on security deposit for the year ended 30th September 1955. Please also state whether the refund of the Security deposits has been claimed as the company is not functioning in Mangalore at present. As the undertaking is now run by Government, these deposits would require to be transferred to Government.

###### (iv) Register of investments.—

The investments of the previous years have not been brought forward to the register for the year 1956-57. The

register would need to be written up afresh each year showing all the investments as on the 1st April, of each year.

**18. Port Fund Ground Rent—Irregularities—Licences not issued or renewed.—**

In many cases licences for the lease of port lands were not issued nor renewed as the parties were not prompt in furnishing plans, paying rent, executing of agreements, etc., in spite of repeated intimations. In some cases, licences were not issued to the parties, as there was no demarcation between port lands and other lands. A sum of Rs. 35-3-0 and Rs. 3,498-11-0 were paid to the Officer-in-charge, Survey and Records, Coimbatore, for the survey of the Port lands in January 1956. But the lands have not yet been demarcated.

**19. Result of audit.—**

The general condition of accounts and financial administration requires improvement.

**20. Receipts and Charges.—**

The gross receipts and charges of the year were as follows :—

	Receipts			Charges		
	Rs.	a.	p.	Rs.	a.	p.
Mangalore Port Trust Fund ...	3,76,617	8	11	4,09,516	7	10
Mangalore Port Fund ...	1,36,090	15	7	1,29,386	5	6
Mangalore Pilotage Fund ...	2,403	0	0	2,267	10	0

**21. Objections pending settlement.—**

Forty-two objections involving an amount of Rs. 3,881-6-6 were pending settlement at the close of audit as detailed below :—

V. S. HIREMATH,  
Collector of Dharwar.

2864

Copy of Notification dated 3rd September 1956.

**No. A.G.R.**—Whereas it appears to the Collector of Dharwar that the Deccan Wingless and the paddy grasshoppers are injurious to the paddy, jowar, bajri and navani crops in the specified villages of the Eastern part of Haveri Taluka in the Dharwar District referred to in Schedule No. I and that it is necessary to take measures to eradicate them and to prevent their introduction, spread and re-appearance.

Now, therefore, in exercise of the powers conferred by section 3 of the Bombay Agricultural Pests and Diseases Act, 1947 (Bombay XLII of 1947), the Collector of Dharwar is pleased to declare

(i) that the Deccan Wingless and the paddy grasshoppers are insect pests;

(ii) that the declaration in clause (1) shall remain in force in the specified area of the said taluka for a period of one year from the date of notification.

(iii) that in order to eradicate the said insect pest in the said area and to prevent their introduction, spread and re-appearance the following measures should be carried out:

(a) the paddy, jowar, bajri and navani crops in the said area of the specified villages shall be dusted with 10% BHC at the rate not less than 30 lbs. per acre.

(b) The bunds and waste lands adjacent to the field where the crops shown in clause (a) above are grown will also be dusted as shown above as the said insect pests are likely to lay their eggs and multiply, there.
